

MINISTRY EXPECTATIONS

How do I become a member of the Sound/AV Ministry? Indicate an interest in the ministry on the Stewardship of Talent card; or you may contact the parish office or the ministry leader, directly.

What defines an "active" member? A person who is knowledgeable in the use of and supports the parish with the operation of the sound and/or video components of Mass or other events held in the sanctuary, social hall or anywhere on the parish grounds.

How do I end my ministry? Notify the parish office or the ministry coordinator.

Is the attire of the member important? No.

What special talents/characteristics are desired in a crew member? A desire to learn the techniques required to operate the audio and video components in the various environments at MQP.

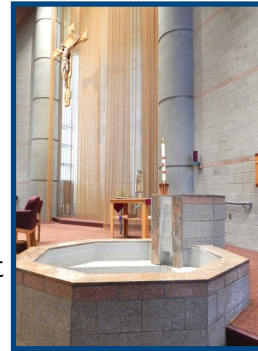

What is the time commitment? 1-3 hours depending on the duration of the particular event.

What can I expect in the way of support/training for my role as crew member? Training is offered before and during Masses and/or other events.

STEWARDSHIP OF TALENT

Stewardship has its beginning in baptism. Our baptism as one of Christ's disciples calls us to share our gifts — **including our talents.**

By giving of our talents, we can support our parish's efforts to carry out the mission Christ gave us.

Parish Mission

We, the Parish of Mary, Queen of Peace, are a faith community, following the teachings of Jesus Christ, in the tradition of the Roman Catholic Church. We gather together, welcoming in spirit, united in our diversity, committed to peace through justice, as witness to our faith. We seek to be the family of God, by our active participation in stewardship through worship, education, service, and social activities. Our lives will bear witness to our beliefs.

SOUND/AV MINISTRY

Stewardship Through Service

MARY, QUEEN OF PEACE SOUND/AV MINISTRY

What We Do

This ministry is responsible for all aspects of sound reinforcement and audio playback as required in and around the parish for liturgies, faith formation programs and funeral receptions.

Special event coordination duties include audio/video playback; recording, set-up and operation of audio/video equipment, and operation of the church sound systems.

No experience is necessary, just the willingness to learn as training will be provided.

What We Value

We value the quality of the audio and video to ensure all parishioners are able to enjoy Mass or a special event.
